Cardstock & Paper Stock Sizes

Quality sign stock is available in both cardstock (a heavier, 90# index stock) and paper stock (a lighter, 60# text stock). Both weights are available in a wide selection of colors and sizes for every retail merchandising application. Cardstock and paper stock (except for 11" x 7" and 8½" x 14") come in 8½" x 11" sheets that easily fit in laser printer paper trays and are perforated in sizes to fit standard size sign holders. All Stylus Laser Supplies have a special finish to enhance the quality and durability of laser toner images.
